This inspection covers (propane/LP-gas) items and equipment visible and accessible to the service technician and represents the conditions existing on the date of inspection. It does not cover latent or manufacturing defects, the internal working of sealed equipment, or structural components, and cannot be construed to cover future or unforeseen happenings.

I, _____ (Please print name)

- Know how to turn off the gas in case of emergency.
- Have smelled propane and can detect its odor.
- Have received the consumer safety information and material.
- Had gas system deficiencies and/or corrections, if any, clearly explained to me.
- Am satisfied with the service work performed.
