Customer Acknowledgement: I understand a system check and installation review has been completed on my gas system as described above. I also acknowledge that the individual performing the Gas System Check informed me of the procedure and the outcome of the inspection; what was covered by the inspection and what was not covered; what repairs and/or alterations, if any, were made to the gas system or appliances; and options available for making recommended changes to my gas system. I further acknowledge, by initialing each of the following items, that:

- ☒ I have informed the service technician of all gas-burning appliances and gas lines on my property.
- ☒ I have smelled the propane gas and can detect its odor.
- ☒ I have been told what to do if I smell a gas odor or otherwise suspect a gas leak and have been shown how to turn the gas off at the container.
- ☒ I have been told that the odorant giving propane its distinctive smell can fade or diminish in intensity and that certain physical limitations or conditions might prevent me from smelling a gas leak.
- ☒ I have been told to consider installing one or more propane gas detectors listed by Underwriters Laboratories.
