Disclaimer:

propane dealer seeking a rebate must submit a full and complete Application form. Submission of the Application form constitutes a representation on the part of the participating propane dealer that the work shown on the form has actually been completed. A safety inspection must be performed by the participating propane dealer after the installation of each new qualifying appliance(s) and the result of that inspection must be documented on the Application form. The safety inspection for qualifying appliance installations must, at a minimum, include the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s]. The propane dealer agrees to comply with all laws, rules and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. The Southeast Propane Alliance and GA Propane Commission assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying appliance(s) or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance(s) or the associated gas system. The Southeast Propane Alliance and GA Propane Commission disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying appliance(s).
