

2023 GA Propane Commission Safe Appliance Rebate Form

This form must be completed by a participating propane dealer. Submission of the application form constitutes a representation on the part of the participating propane dealer that the work shown on the form has actually been completed. A safety inspection must be performed after the installation of each new qualifying appliance(s) and the results of that inspection must be documented on this form in a manner acceptable to the GA Propane Commission. Minimum requirements of the safety inspection are located on page 2 of this form.

This form and a proof of sale, service and/or installation for the customer reflecting the amount of the rebate as a credit of each appliance must be submitted to the GA Propane Commission for the dealer to be eligible for consideration of any rebate(s). Failure to furnish all necessary documentation will result in the dealer being declared ineligible for consideration of any rebate(s). The results of the required inspections must be recorded on page 2 of this form and must conform to industry standard practices. The GA Propane Commission and the Southeast Propane Alliance assume no liability for a dealer and/or customer being declared ineligible for consideration of any rebate(s).

Disclaimer:

The propane dealer seeking a rebate must submit a full and complete Application form. Submission of the Application form constitutes a representation on the part of the participating propane dealer that the work shown on the form has actually been completed. A safety inspection must be performed by the participating propane dealer after the installation of each new qualifying appliance(s) and the result of that inspection must be documented on the Application form. The safety inspection for qualifying appliance installations must, at a minimum, include the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s]. The propane dealer agrees to comply with all laws, rules and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. The Southeast Propane Alliance and GA Propane Commission assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying appliance(s) or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance(s) or the associated gas system. The Southeast Propane Alliance and GA Propane Commission disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying appliance(s).
