- ☒ I will notify propane company if propane service is interrupted for any reason, including installation of new appliance, so a leak check and system test can be completed.
- ☒ I have informed the service technician of all gas- burning appliances and gas lines on my property.
- ☒ I have smelled the propane gas and can detect its odor.
- ☒ I have been told what to do if I smell a gas odor or otherwise suspect a gas leak and have been shown how to turn the gas off at the container.
- ☒ I have been told that the odorant giving propane its distinctive smell can fade or diminish in intensity and that certain physical limitations or conditions might prevent me from smelling a gas leak.
- ☒ I have been told to consider installing one or more propane gas detectors and carbon monoxide detectors per manufacturer's instructions listed by Underwriters Laboratories.
- ☒ I have received safety information and been told to read it and share it with all family members.
- ☒ I am satisfied with the service work performed.
