

GA Propane Commission Safe Appliance Rebate Form

This form must be completed by a participating propane marketer. A safety inspection must be performed after the installation of each new qualifying appliance(s) and the acknowledgement of that inspection must be documented on this form in a manner acceptable to the GA Propane Commission. Minimum requirements of the safety inspection are located on page 2 of this form.

This form and receipts showing purchase of each appliance must be submitted to the GA Propane Commission for the customer to be eligible for consideration of any rebate(s). Failure to furnish all necessary documentation will result in the customer being declared ineligible for consideration of any rebate(s). The required inspections must be performed to conform to industry standard practices, Georgia State Code requirements, or local code requirements. The GA Propane Commission and the Southeast Propane Alliance assume no liability for a customer being declared ineligible for consideration of any rebate(s).

Disclaimer:

The propane marketer seeking a rebate must submit a full and complete Application form. Submission of the Application form constitutes a representation on the part of the participating propane marketer that the required safety test was completed. A safety inspection must be performed by the participating propane marketer after the installation of each new qualifying appliance(s). The safety inspection for qualifying appliance installations consists of the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s]. The propane marketer agrees to comply with all laws, rules and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. The Southeast Propane Alliance and **GA Propane Commission** assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying appliance(s) or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance(s) or the associated gas system. The Southeast Propane Alliance and **GA Propane Commission** disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential, or compensatory, directly or indirectly arising from the installation of the qualifying appliance(s).

Rebates must be submitted through propanegeorgia.com.
