WC	WC	Mins	<input type="checkbox"/> No				<input type="checkbox"/> No

Comments: 80% in tank. All appliances working correctly.

### Customer Acknowledgment:

- I have informed the service technician of all gas-burning appliances, gas lines, and unused piping not connected to any gas appliance on my property.
- I have been informed of what deficiencies, repairs &/or alterations, if any, were made to my gas system or appliances.
- I have been told what to do if I smell a gas odor or otherwise suspect a gas leak and have been shown how to turn the gas supply off at the tank or cylinder.
- I have smelled propane gas and can detect its odor.
- I have been told to consider installing one or more gas detectors.
- I have received safety information and told to read it and share it with all family members.
- I am satisfied with the service work performed.
